Overview

2,000 Hour MTU Engine Service Completed - November 2014

This Viking was built for cruising, long range travel and sportfishing. She is rigged with the most desired engine package that was offered for the 64 - MTU M91 16V2000s. The release chair and rocket launcher were added new in Nov. 2013. She is also equipped with Release Marine helm chairs and the highly desirable 4-stateroom, 3-head layout.

Below deck, the master stateroom includes an angled queen berth with a private head and a separate shower. The forward stateroom also has a private head and shower, including a centerline queen berth. The two guest staterooms share a head and a shower, with access from the companionway. One guest stateroom includes upper and lower berths, and the other includes side by side twin berths.

This Viking has been full time captain maintained in excellent condition! She shows incredibly well and is a must see! Don't miss this opportunity to buy one of the most sought after sportfishing yachts. Extensive interior and exterior upgrades are listed below. Call today, Mr. Grinch will not last long on the market!
