## Overview

---

The Riva Super Florida is a true speciality of Italian origin. She is very practical with her large sunken aft deck that can be used as an aft seat, a sun bed or cargo space. Unlike most other Rivas built in the 50's and 60's the Florida has a "normal" transom that slopes gently outwards-upwards which facilitates mooring and boarding. Florida has been regarded by many as the quintessential RIVA and is revered as a classic and a collectors item.
