SPECIFICATIONS

Overview

TRESO is the finest late model 50 Post available on the market today. She features twin Detroit Diesel Series 60 (825hp) engines with only 580 hours. It features the preferred Plan B interior and the high gloss teak woodwork shows very well. A comprehensive electronics package consists of recently updated Furuno Navnet 3D's (2), Auto pilot, (2) Icom VHF radios, and electronic single lever controls on the upgraded pod helm. The flat panel salon TV was replaced in 2010 and the carpeting in the salon, companionway, and staterooms have all been replaced with Faux wood flooring to give the interior a very rich look reducing interior maintenance. The vessel exhibits Release Marine high gloss teak helm chairs, a recently replaced enclosure, swim platform, and many other custom features. An open checkbook policy is evident in the condition of this vessel and the aggressive asking price shows how serious this vessel is for sale.
