A few steps up is the elevated pilothouse with starboard helm, full electronic, helm and companion seating, and side deck access door. The salon is aft and down with a large convertible dinette with under-seat storage. Large windows in pilothouse provide lots of natural light and excellent views. The galley is aft with wraparound cabinets with solid surface counter, stainless steel sink, electric cooktop, microwave oven, and side-by-side refrigerator freezer. A cockpit access door connects the galley to the cockpit and sundeck.

This Nordic Tugs 32 is powered by a 220-hp Cummins diesel engine designed for economical and dependable performance.
