ХАРАКТЕРИСТИКИ

Обзор

The Cruisers 320 Express is a great mid-range express cruiser with low hour New Long Blocks. The Cruisers 320 Express is an impressive blend of American sporty styling, luxurious accommodations, and state-of-the-art construction. The wide beam and an expansive cabin, single head floor plan provide the 320 with cabin dimensions that most other Express models could only envy. Cruisers Yachts interiors have always been among the best in the business, and the accommodations of the 320 Express are impressive in every respect. The forward berth is angled to maximize usable space for a crescent shaped dinette and full galley. The mid-cabin sofa sleeper is an integral part of the cabin and not separated by a step down or low ceiling height. In the cockpit, the aft opposed bench seats aft and triple wide helm make for a very social atmosphere. A gas-assist hatch provides easy access to the engine room. An extended swim platform makes a day at the sandbar a please for all the family and friends. Twin Mercruiser 6.2L Horizon engines cruise the 320 Express at 22 knots (30 knots top). This 320 Express is in great shape and will be a joy for the next owner.

Основная информация

Тип судна: Крейсер	Модельный год: 2006
