# DETAILED INFORMATION

---

## Description

---

The 350 Walkaround is the updated model of the very successful 348 walkaround that was produced until 2004. The updated 350 incorporated a lengthened cockpit, reverse transom, transom door and a hullside dive door with stairs. The 350 has a large L-shaped guest seating area with appropriate windshield blockage and 3 sided new Isenglass. The steering console with an electrical fwd and aft bench seat is aft of the L-shape seating keeping the driver close to his guests. The cabin is well laid out and includes a convertible seating arrangement, a galley, an enclosed head and a forward berth.
