### REMARKS

Serious offshore capability, a fully appointed cabin with berths for 6 or more, and dazzling style, combine to make the Sailfish 30-06 Express the sport utility of the sea. Equally at home cruising to dinner, or fishing way offshore, this boat does both with ease. Standard fishing amenities include 16 upright rod holders, 30 gallon live well, high speed pickup, dual fish boxes, 2 deluxe tackle stations, anchor windless, and much more. Cruising features include enclosed shower/head, teak cabin sole, fold down bunks, aft berth, refrigerator, stove, microwave, shore power and hot water heater. The custom designed hard top holds a variety of speakers, a remote spot light, and even provides storage for safety equipment and gear, in its built in locking storage compartments.
