## Overview

---

**MANY RECENT UPGRADES!! MOTOR REBUILT, NEW CURTAINS AND OTHER MECHANICAL REFITS AUGUST 2016. NEW WIRING AND AIR CONDITIONING 2015. BRING OFFERS**

Classic single screw Oregon Inlet Charter boat. Built by Billy Holton in the late 80's, she was in service at the Fishing Center under several names and spent a while in Hatteras as well in the late 90's and early 00's. She has a simple layout and was built to carry people fishing economically. She has a single Detroit 871TI, a 6KW Northern Lights generator, a large head, freezer, electronics and big cockpit. She'd be a good boat to spiff up and put into a charter fleet, to fish privately or as an affordable foundation towards a bigger picture project that could really be something special. Check her out.
