# DETAILED INFORMATION

## Preliminary Specifications

This Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

## Owner Remarks and Recent Updates

This 1971/1972 53' Hatteras was purchased from the original owner's estate approximately 2.5 years ago and underwent a more than \$400,000 renovation and refit. The boat has been in the fresh water of Lake Michigan all its life and was brought to Fort Lauderdale by the current owner in November 2014. A 27 day cruise from the Great Lakes with no issues. To say this is the finest Hatteras 53 (the most popular model Hatteras ever sold), would be an understatement. As such, the following is a partial extensive list of all the work done by primarily one yard in the Chicago area and then captain maintained this past year in Florida: In the past 2 years of refit:

- Complete paint hull, deck and bridge 2013/2014
- All new bridge coring and flooring 2014
- All new bridge seating, railing, console, electronics, Bimini, Plasteak decking 2013/2014
- All new Lexan aft windows 2014
- Custom Marine Air A/C unit for aft enclosure 2014
- New aft ice maker and refrigerator 2014
- New main salon and aft salon carpet, blinds and furniture 2013/2014
- All teak wood refinished 2013/2014 and constantly maintained with rail covers
- New salon wheelhouse electronics 2013/2014 – dual Simrad screens, engine room monitors, Maretraon Life Safety. Simrad autopilot, bilge alarm, monitors and counters, etc. The best of everything include electronic Mathers throttles and bow thruster
- New galley hallway Plasteak flooring and LED lighting 2014
- New custom Isotherm refrigerator/freezer 2013
- Vacuflush heads
- Side-by-Side engine rooms with complete service of all engines in excellent condition
- All new batteries and Outback Inverter System 2013
- Custom generator enclosure 2014 on original 15kW Onan Generator with low hours
- All new head Corian counters and wallpaper 2013
- Fresh service all running gear, balanced shafts, props scanned, bottom painted 2015
- Glendenning auto cable system on bow
- All new cushions 2014
- Marquipt boarding stairs
- All new mattresses and bedding 2014
- The list goes on and on of updates to LED lighting custom deck lighting, etc.
- The current owners are the second owner and did all the refitting
- The boat has all the original manuals and build plans from Hatteras with a time capsule of information
- Full files of all receipts and restoration

The boat is really designed to be handled by 1 or 2 people. Easily run with the electronic throttles and bow thruster and has more room than boats in excess of 60'. Economical at 1.2 gallons/mile per engine gives almost a 300 mile cruising, a 15kW generator and inverter system makes it the ideal travel and live-aboard boat.

---

## Aft Deck

---
