SPECIFICATIONS

Overview

(LOCATION: Fort Pierce FL) The Ocean 35 Super Sport was one of Ocean's best-selling models. A classy convertible, she was designed to be roomy, versatile, and easy to operate.

The flybridge features hardtop, centerline helm station, twin helm chairs, and guest seating forward. The helm features a full complement of electronics including: radar, GPS, autopilot, fishfinder, compass, and VHF radio. The bridge is equipped with outriggers, rocket launchers, and spreader lights.

The roomy cockpit gives you more than enough workspace, and includes flush mount rod holders, coaming bolsters, transom door, fresh & saltwater washdown, and a fish box for all your catch. The foredeck includes stainless steel bow rail and bow pulpit with anchor and windlass.

The teak finished interior is open and comfortable. There is room to relax after a day of fishing and enjoy a cold beverage. The carpeted salon has an L-shaped convertible sofa with ottoman, and television and sound system. Just a couple steps down is a full galley with refrigerator/freezer, electric cooktop, microwave oven, upper and lower cabinets with lots of storage, and a solid surface countertop with stainless steel sink. Opposite the galley is a booth style dinette.

The stateroom is forward with queen berth, under-berth storage, hanging lockers, bulkhead storage, accent lighting and television. The enclosed head compartment has Lectra/San toilet, mirrored vanity, and shower.

Performance is provided by twin Cummins turbocharged engines generating 300 horsepower each, with a top speed around 30 knots and a cruising speed of 25 knots. Mechanical features include: generator, reverse cycle HVAC, water heater, and engine room fire suppression. She is a good-looking, well-equipped sport fisherman with tons of room. If you are serious about fishing in style or looking for a classic cruiser call now for more information and to schedule a showing of this 35' Ocean Super Sport.
