OWNER READY TO PICK UP HIS NEW BOAT!!

\$124,800

This 2009 EdgeWater 268cc has been exceptionally maintained by her owner. She looks like a late model demo, with integrated Garmin GPS//Chartplotter/Radar and outriggers. With only 300 hours on her twin Yamaha F250's, this Center Console is just getting broken in. The hull is Midnight Blue in color, Lift Kept and No Bottom Paint. She boasts a 9'6" beam which contributes to her best in class 92' sq. ft. cockpit area. This saltwater fishing machine is turn-key and ready to cruise offshore to fill the boxes with fish, hit the sandbar or take the family inter-coastal cruising.

The Manufacturer Describes it Best:

This center console lets you know in a big way that rugged is standard with the offshore boats of EdgeWater.

A smooth, stable ride and capable performance makes the 268CC one of the top offshore boats available on the market today.

A powerful deep-V hull, unsinkable Single Piece Infusion construction and up to 500 hp from twin Yamaha outboards, make all jobs for these offshore boats a breeze.

Fish or cruise in comfort with a walk-in console complete with head, sink, shower and extra storage.

The 268CC exceeds all expectations of any other boat.

Manufacturer Provided Description

As big and rugged as it is stunning in looks and performance, the EdgeWater 268CC is considered by many to be the benchmark by which boats in this class are compared. Building on the foundation of our highly innovative variable deadrise hull, we incorporate our fully encapsulated CarbonGrid stringer system with closed-cell foam flotation to create a super-strong and utterly unsinkable offshore fishing machine. Ample rod holders, baitwell, huge insulated fishbox, tons of storage and an oversized walk-in console with portable head are standard... Seating, T-tops and additional fishing features are nearly limitless. Regardless of the family adventures or fishing expeditions you want to enjoy, we've made sure the EdgeWater 268CC has everything you need and more.
