# DETAILED INFORMATION

---

## Description

---

The Larson Cabrio 330 is a 32-foot midcabin cruiser with an eleven-foot, six-inch beam providing outstanding stability and abundant space in both the cockpit and the cabin. The notched Duo-Delta Conic hull helps this boat plane smartly and cruise on less fuel than a standard hull. The optional included extended boarding platform can be used as a perch for swimming or snorkeling. A modular cockpit seat system allows for increased deck space in minutes. The cockpit wetbar may is equipped with a refrigerator. Lines, hoses, and power cables may be conveniently stowed in transom lockers, and the sport arch is ready for installation of antennas and radar. The cabin of the Cabrio 330 is both functional and luxurious. Soft, gathered leatherette upholstery covers the dinette settee. Polished granite-cast countertops contrast with beautiful hand-finished maple cabinetry. The galley features a large refrigerator, microwave oven and a two burner cooktop, with an easy-to-clean woodgrain floor surface underfoot. There's abundant stowage in the galley and a cedar-lined hanging locker adjacent to the forward berth. The midcabin berth lies behind an open staircase for easy access and good lighting, and can be converted to an auxiliary dinette or game area. The head compartment features a separate shower and sink with vanity. Three large opening deck hatches offer abundant natural light and ventilation.

## Cabin

---

- Sleeping Accommodations For Six
- High Gloss Maplewood Interior w/ Beige Ultraleather
- Full Size Angled Queen Bed forward
