

GENERATION — VIKING

Builder: VIKING

Year Built: 2007

Model: Sport Fisherman

Price: PRICE ON APPLICATION

Location: United States

LOA: 64' 0" (19.51m)

Beam: 19' 2" (5.84m)

Max Draft: 5' 2" (1.57m)

Cruise Speed: 33 Kts. (38 MPH)

Max Speed: 37 Kts. (43 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **Generation — VIKING** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **Generation — VIKING** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

Generation is a 4 stateroom, 3 head layout powered with C32 Acerts. "Generation" was recently updated with new hardwood floors, new bedding, and a large U-shaped sofa in the salon, she has all the comforts of home. The electronics also had a 60k upgrade with the addition of high output Safire lens underwater lights, and a top of the line sound system throughout the boat. The tuna tower, teak deck and covering boards complete the look of this exceptional sport fish.

Highly motivated seller will consider smaller sportfish trades, please call with any inquiries.

NEW Garmin 7215 - May 2014

19" KEP Screens - May 2014

All New TV's 2014

New salon sofa by American Yachts - April 2015

New hardwood floor and carpet - April 2015

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2007

Year Built: 2007

Country: United States

Dimensions

LOA: 64' 0" (19.51m)

Beam: 19' 2" (5.84m)

Max Draft: 5' 2" (1.57m)

Cruise Speed: 33 Kts. (38 MPH)

Max Speed: 37 Kts. (43 MPH)

Displacement: 100000 Pounds

Water Capacity: 320 Gallons

Fuel Capacity: 2215 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Caterpillar

Model: C32 Acert

DETAILED INFORMATION

Updates

October 2016

- (2) new air handlers, (2) new compressors
- Refinished toe rail
- Hull and topside wax
- Windlass
- Kenmore elite microwave
- GE front loaders washer/dryer

Service 10/15/16:

- Engines and generators fully serviced
- New rudder bearings
- New prop speed
- Bottom job
- Zincs
- AC and refrigeration serviced

Main Salon

- Main electrical service panel. AC/DC, backlit and raised to eye level for easier viewing
- Majilite headliner, natural color. 1/8" foam & tricot backing
- Sliding salon door, molded fiberglass door with window, New BrazilianTeak with key lock
- Stereo speakers, multi-directional, mid/high range with powered subwoofer for base and with volume control, recessed in and painted to match
- Teak cabinetry with drawers and bottle storage
- U-shaped sofa with storage underneath, New April 2015
- Upholstery and window treatments
- Valances in custom teak
- Blinds for desired natural lighting and additional privacy
- Ice maker, clear ice type concealed in teak cabinetry behind door
- Lambrequins fabric upholstered
- Lighting, overhead Halogen lights with dimmer recessed in headliner and indirect decorative rope lighting behind valances

- Solid Brazilian Teak floor throughout

Galley

- fluorescent lighting
- Majilite headliner, natural color
- Microwave located in upper galley cabinet above sink - stainless finish
- Refrigerator and freezer, Sub-zero, large capacity, deep-drawer under-counter style with varnished teak races, (2) refrigerator units and (1) freezer unit
- Sink, stainless steel recessed in counter top with biscuit galley faucet
- Storage cabinets in upper galley, varnished teak doors with teak faced deep, pullout drawers with aircraft style slides for smooth movement and latches to keep drawers in place while underway
- Storage cabinets and drawers in lower galley varnished teak doors and faces with stowage for utensils, and other items
- Trash compactor in lower galley with teak face
- Water tank level gauge and pump indicator located in galley sub-panel
- Blinds
- Companionway entrance located between Galley and Dinette
- Hardwood Brazilian Teak floor
- Dinette couch with removable cushions and storage room underneath, American, New April 2015
- Dinette table, teak with high-gloss finish with single pedestal, thru-bolted
- Electrical sub-panel for galley appliances
- Electric range, 4-burner cook top, surface-mounted
- Exhaust fan, high velocity
- Galley counter top, custom granite
- Garbage disposal in sink

Master Stateroom

- Queen-size, walk-around athwartship bed with mattress and lift up top with gas pistons and maple-lined storage underneath
- Lighting, overhead Halogen lights with dimmer and decorative indirect rope lighting from
- Air conditioning with reverse cycle heat with temperature control
- Appliqued bedspread and shams- New 2014
- Carpeting- New 2014

- underneath bed platform
- Majilite headliner, natural color
- Reading lights, overhead with separate switches
- Storage locker cabinet with large drawers below, teak
- Wallpaper, vinyl type 2 for easy cleaning durability
- Closets, twin maple-lined hanging closets with teak doors built into aft wall
- Drawer storage under bed, (2) large drawers
- End tables at fwd and aft ends of bed with drawer and door storage
- Headboard, upholstered

Guest Stateroom - Forward

- VIP Crossover layout with 2 berths
- Air conditioning with reverse cycle heat with temperature control
- Bedspread - quilted, designer style, New 2014
- (2) Pillow shams, New 2014
- Carpet, New 2014
- Hanging locker, teak with maple-lined and spacious
- Lights, overhead Halogen lights with dimmer and decorative rope lighting underneath bed platform and behind valences
- Majilite headliner, natural color
- Reading lights with separate switches
- Stereo speakers recessed in headliner tied into salon stereo with volume control
- Storage cabinets, port and starboard sides of bed, teak
- Storage drawers under bed, (2) large drawers
- Wallpaper, vinyl type 2 for easy cleaning durability

Guest Stateroom - Starboard Aft

- Side by side twin berths with lift-up outboard bunk top for storage underneath
- Air conditioning with reverse cycle heat with temperature control
- Bedspread - quilted, designer style, New Nov. 2014
- (2) Pillow shams, New Nov. 2014
- Carpet- New 2014
- Hanging locker, maple-lined and spacious
- Lighting, overhead Halogen lights -with
- Reading lights, recessed in headliner with separate switches
- Stereo speakers recessed in soffit tied into salon stereo with volume control
- Storage drawers located under hanging locker
- Wallpaper, vinyl type 2 for easy cleaning durability

dimmer

- Majilite headliner; natural color

Guest Stateroom- Starboard Forward

- Upper and lower bunk berths
- Hanging locker
- Lighting overhead
- Reading lights
- Pillow shams and bedspread, New Nov. 2014
- Carpet, New Nov. 2014

Master and Guest Head

- Receptacle, 120V with GFI
- Shower light
- Stall shower, fiberglass with brass shower fixtures and with drain to automatic sump pump in bilge
- Storage cabinet with shelves and mirrored door in master head
- Towel bar and ring - solid brass
- Mirror wall around upper vanity
- Amtico tile floor
- Air conditioning/heat with vent in soffit
- Exhaust fan with vent in soffit
- Linen Storage
- Lower vanity with curved teak face
- Lights, overhead Halogen lights recessed in soffit and in ceiling
- Medicine cabinet with mirrored doors
- One-piece custom frameless shower door in master head
- One-piece molded bone Corian counter top with rounded edges, bone sink and Grohe brass faucet

Companionway

- Awlgrip bilge areas with access hatches, snow white and lighted for easier maintenance and cleaning
- Carpeted steps from galley to companionway
- Central vacuum unit connection with accessories
- Lighting overhead Halogen lights recessed in headliner
- Linen storage locker with four shelves
- Majilite headliner, natural color

Flybridge

- Custom helm chairs
- Non-skid deck for traction and durability
- Power assist steering
- Recessed electronics boxes in console for custom electronics package that is easily viewable and protected from the elements by acrylic fitted lids with gaskets and stainless steel gas pistons
- Recessed radio boxes, large radio box on port and starboard side of console with switch panel inside
- Refrigerated top-loading chill box at forward end of console for keeping drinks and snacks accessible from the bridge
- Stereo speakers, tied into stereo system in salon flush-mounted to aft ends of bridge with volume control in radio box
- Starboard and forward lounge seating with vinyl covered foam cushions, New Nov. 2014, hinged for access to storage and rod storage under seats
- Starboard jump seat, aft facing seat with storage underneath
- Trim tab control switch mounted at console
- (2) Trumpet style air horns
- Under helm access with lights and storage room
- VHF radio with antenna and mounts - ICOM IC-M602
- Windshield, centerline venturi cutout to maximize visibility
- Custom helm pod with single lever electronic controls with emergency stops
- Custom stainless steel steering wheel for helm pod
- Electronic trolling valve controls
- Fire system control with automatic and manual discharge and override system located at console
- Freshwater outlet forward locker
- Fuel gauge located in cabinet at console
- Handrails, powder-coated aluminum effectively positioned above ladder to bridge and at helm
- Lighted compass, large and flush-mounted on centerline
- Manual engine shutdown switches
- Moritz Safety monitoring system with audible and visible alarms

Electronics

Optional Equipment

- Furuno radar w/8' array
- 19" KEP screen, New 2014
- Garmin 8215, New 2014
- Northstar 6000i chartplotter
- Furuno FCV 1200 BB color video sounder

- Furuno RD 30 digital depth display
- Furuno auto pilot
- (2) ICOM 602 VHF
- ICOM 802 SSB w/tuner

Deck Equipment

- Four stateroom layout
- Bottom paint, May 2015
- Awlgrip engine room, lazarette, forward bilge and anchor locker for enhanced visibility and easier maintenance
- Custom blended polyester resin used in structural laminates, topsides, bridges, and hardtops
- Boot stripe, New Jan. 2010
- Fiberglass fuel tank with fiberglass baffles inside and balsa coring on sides for stiffness, sealed to hull with a resin roan
- Fiberglass freshwater tank, reinforced
- Fiberglass holding tank with dockside and overboard pump out
- High performance isophthalic gelcoat superior gloss, flexibility and outstanding weathering characteristics, paint Stone Grey Dupont w/2 coats clear hull
- Hull bottom - vacuum bagged end-grain balsa core sandwiched with fiberglass laminates
- Hull interior, isophthalic gelcoat top-coated with a durable high gloss polyurethane coating
- Laminated end-grain balsa core in hull sides and top sides
- Molded fiberglass salon floor/engine room ceiling with Divinycell core for acoustical and thermal insulation
- Propeller pockets to reduce draft
- Solid reinforced keel
- Stringers, fiberglass encapsulated foam
- Transducer location molded into keel
- Vacuum bagged composite bulkheads - Main engine room bulkhead, intermediate engine room bulkheads, and forward bulkhead

Electrical

- 24V DC ship's service throughout
- 24V/12V power supply with breakers on flybridge for future electronics
- 110V outlet in engine room on aft bulkhead

- Anchor light/navigation lights
- (2) Batteries, independent 24V banks mounted in fiberglass storage boxes, maintenance free
- (2) Battery chargers, with thermal cutoff and switching system for complete integration
- Battery distribution panel with battery cutoff and charging system breakers
- Battery parallel system for main engines and generator start
- Bonded electrical system with ground plate
- Color-coded, labeled and numbered wiring system with corresponding drawings
- Engine room lights, AC and DC with switch at engine room, entrance
- Generator, Diesel Onan 21.5 KW E-QD (electronic quiet diesel) Series, user-friendly with electronic governing allowing voltage and electronic frequency control
- (2) Glendinning cablemasters
- Instrument panel lights for flybridge and main electric panel
- Overhead Halogen lights recessed in ceiling and rope type decor lights concealed by upholstered valances, 24V AC and 24V DC
- Master electrical control panel located in salon with 24V/120V circuit breakers, individual switching for shore 1, shore 2, or generator supply and gauges for electrical supply, voltmeter, ampmeter, and frequency
- Receptacles, 120V duplex with GFI throughout
- Sub-panel located in galley for galley appliances, galley lights, gauge for water tank and alarm panel for safety monitoring system
- Voltage stabilizer isolation transformers for more consistent, cleaner voltage

Engine and Mechanical Equipment

- Air Conditioning - direct expansion zoned with reverse cycle heat for complete climate control throughout the interior and with individual temperature controls for staterooms and salon
- Bilge pumps with additional clean out pumps in keel area linked into monitoring system and connected to float switches

for automatic and manual operation

- PEX plumbing, fresh water system with manifold shut off in engine room and forward bilge
- "Delta T" engine room ventilation system with supply and discharge fans for proper fresh air supply and water intrusion suppression
- Engine room entrance gauge package consisting of digital tachometer, engine water temperature, engine oil pressure and remote mounted
- Engine start and stop switches for easier viewing and accessibility
- External sea strainers for main engine pick-ups
- Fire suppression system, automatically or manually operated and tied into main engine and generator ignition systems with override
- Fresh water supply in engine room for general maintenance and cleaning
- Fuel and oil lines, flexible, steel reinforced USCG approved, aircraft type
- Fuel priming pumps for main engines, electric
- Fuel transfer system, 24V DC pump
- Fuel/Water separator filters for main engines and generator, 'dual' filters for main engines. Glass bowl type, top-loading for convenient
- Replacing-painted snow white
- Dual stage variable speed I 110V A/C freshwater system with on deck freshwater fill and
 - Power assist hydraulic steering with steering junction block under helm for future stations/autopilot Propellers - Class "S" pitch tolerance (ISO 484/2) and dynamic balancing. Advanced design cambered blade sections for optimum performance
 - Rudders, stainless steel with dripless thru-water and Tides Marine UHMW beating for ease of maintenance
 - Seacocks, bronze, ball-type sea valves and strainers for all thru-hulls below the water line-painted snow white Awlgrip
 - Shafts 2 Aquamet high-strength stainless steel, double-taper with machined keyway and cushion thrust plate at main engine couplings
 - Structural steel engine beds mounted to transverse intermediate bulkheads to isolate torque and vibration/engine noise and ensure drive-train alignment
 - Struts - thru-water, manganese bronze
 - Trim tabs with center, port and starboard dual piston labs recessed in transom, individual controls with covers
 - Underwater/Stringer exhaust reduces engine exhaust back pressure. Cleaner exhaust discharge and improved utilization of area under the cockpit
 - Water heater -20 gallons, quick recovery, electric

- cockpit dock supply inlet with pressure reducing valve
- Hour meters on main engines and generator
- Internal sea strainers for generator, air conditioning and all other sea water pickups
- Mufflers - engines and generator underwater with surge tubes in engine room, New exhaust April 2015
- Oil changing system, gear type pump for main engines, transmissions, and generator with pump outline run to cockpit locker

Other Features and Equipment

- Anchor - constructed with a high-tensile, corrosion resistant aluminum magnesium alloy
- Anchor locker with access from foredeck
- Anchor rode
- (5) Fire extinguishers
- Fresh water wash down in anchor locker
- Grabrails, powder-coated aluminum and mounted to both sides of bridge for safe access to foredeck
- (6) Mooring Lines, braided nylon
- Ships bell
- SSB grid grounded shield
- Stainless steel bow, spring and stem cleats thru-bolted to aluminum backing plates
- Water delivery kit with tool set
- Zinc on transom

Optional Equipment

- Additional 21.5 KW Onan Electronic Generator
- Watermaker 1200 GPD with auto backflush, New high press pump Aug. 2014
- Additional fuel tank forward 250 gallons
- Electronic trolling valves
- Flybridge recessed electronics boxes
- Flybridge storage freezer and chill box
- Release Marine single lever controls on pod with lever mounted bow thruster

controls

- DC Bow Thruster
- Live well in cockpit sole
- Refrigerated cockpit sole fish box
- Transom coaming with gate and transom fish box
- Galley trash compactor
- Salon electric panel up
- Full boat carpet runner
- Cocktail table w/hi-lo mechanism
- Custom wallpaper throughout staterooms
- 15" flat screen TV in bow stateroom
- 15" flat screen TV in starboard stateroom
- Premier edition decor
- Spare propellers
- Run line from oil change system to outlet in cockpit dockside box
- Dual power steering pumps in place of standard single on port engine
- Headhunter head system
- All heads have direct overboard available
- Engine room speakers
- Shelves over both generators
- Underwater exhaust system
- Drip dry foam cushions in lieu of standard foam
- Custom helm chairs with hydraulic shock absorbers
- (6) rod holders (3 each in port and starboard cockpit wings)
- Awlgrip lazarette
- Crushed ice machine
- Mezzanine air conditioning
- 2nd freezer in lower cooler box port side
- Delete bow pulpit
- Recessed trim tab covers
- Salon door with electric door opener
- U shaped sofa
- 32" flat screen TV in master stateroom
- Channell glass headboard in master
- Channell glass backlit glass panel in salon
- Orthopedic mattresses throughout
- Full tuna tower with triple spreader outriggers

Exclusions

- Personal items
- Fishing tackle
- Artwork

- Etched glass over dinette
- Life raft
- EPIRB
- Tools
- Spare parts

Exclusions

Owner's personal belongings.
