Manufacturer Provided Description

The perfect blend of fishing and comfortable family cruising can be enjoyed aboard the Carver 32 Mariner Convertible. If fishing is the plan, the 32 offers 60 square feet of self-bailing cockpit with lots of room for fishing gear and a convenient transom door for boarding. Its command bridge includes a control console with full instrumentation and comfortable seating for five. Roomy master stateroom and a convertible dinette - lounge provide sleeping for six. The salon features a wetbar with bottle and glass storage. The head compartment with fiberglass shower stall; the fully equipped galley with large 110 Volt refrigerator - freezer, and three-burner stove with oven, make cruising even more convenient.

Vessel Walk Through

Enter from the spacious cockpit through the sliding door and down 2 steps to the salon with a dinette to port and a starboard settee. Forward to starboard is an icemaker and wet bar with liquor cabinet and a ladder accessing the fly bridge from the salon. Forward to port is the galley with double stainless steel sinks. Opposite to starboard is the refrigerator/freezer. Forward to starboard is the head with separate stall shower. The master stateroom is forward with an offset double berth.

Very popular model built for 11 years. Has great appeal as a family cruiser.

Accommodations

Extra-large, 55 sq. ft cockpit is ideal for fishing, water sports or relaxing. Full transom door provides easy access to the fiberglass swim platform. From the cockpit, climb up either the port or starboard side to the spacious flybridge which includes generous seating for nine and control console with pedestal slide/ swivel pilot seat. When you move forward on the wide port or starboard walkways, you will find fully welded stainless-steel bow and safety rails. Once forward to the bow, relax on the large foredeck sun lounge which features thick padding for greater comfort. When you step from the cockpit down to the salon you will notice the open concept styling which creates a spacious, party-size salon with seating for eight. On the starboard side there's a convenient wet bar with bottle storage, direct ladder-access to the bridge and a couch that converts to a bunk for your extra guests. On the port side you will find the large dinette with easy seating for four adults and also drops for additional sleeping area. Walk forward to the port side galley and starboard side head. The head area has a vanity with a stainless steel sink, manual head and shower enclosure. The forward stateroom features a large double berth with extra foam mattress and convenient private access to the head compartment. Also, the forward stateroom has hanging lockers, cupboards and drawers for personal gear.
