Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 7.4 L MPI

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Manufacturer Provided Description

Unmistakably one of the finest family Express Cruisers ever built. The Sea Ray 370 Sundancer brings new definition to performance and styling in a sport yacht. With the power of twin 7.4L MerCruiser V-drives and the seaworthiness of a wide beam and deep-V hull, the 370 Sundancer cuts through heavy seas with certainty and comfort. The burl instrument panel features custom Sea Ray backlit instrumentation with low-glare blue night lighting and plenty of room for charts and documents. An emergency start system backs up the primary system for additional peace of mind. Standard Raytheon electronics package includes VHF, GPS, and Raydata multifunction depth finder, speed - sumlog, and water temperature instrument. The portside refreshment center has a wet bar, sink, cooler, and icemaker. The portside bench seat has a fiberglass step for easy boarding. Integrated fender storage in the transom has a gas-assisted door for easy access. A freshwater washdown with cockpit shower and dockside water inlet provides convenient access to fresh water while on board. A Lofrans Progress I rope - chain windlass makes anchoring easy. Aluminum fuel tanks with fuel filters, anti-siphon valves and electric senders prevent corrosion and improve fuel quality, safety, and convenience. Below, the main salon features a curved banquette with cocktail - dining table, full galley, sunken conversation area, spacious forward stateroom, and fully enclosed head. Faux granite countertops and tables, tasteful upholstery, handcrafted wood trim, and deep-pile marine carpet are just some of the features in the salon. The TV-VCR combination is one of two in the cabin. There's also a Clarion AM-FM digital cassette stereo with six-disc CD changer, amplifier, subwoofer, eight speakers, and cockpit remote. The sofa converts to a double bed for extra guests. The conversation pit converts to a double stateroom with a privacy curtain and mirrored divider. A vanity with drawers provides guests a place to stow belongings. A sliding screened window admits natural light and fresh air. The forward stateroom has a full-size pedestal bed, port and starboard vanities, and hanging lockers with mirrored doors, side shelf storage and a TV-VCR - radio combination. The full galley includes a three-burner electric stove with stainless steel stove rail, refrigerator, microwave, and coffeemaker. The head compartment has a VacuFlush toilet, sink with vanity, and a separate shower with bifold door. A large deck hatch, port light, and air conditioning provide light and air circulation.

Special Features and Notable Upgrades

- Full strataglass enclosure, including Camper canvas, excellent condition
- Slant Back canvas and Winter Canvas covers
- This model year 370 Sundancer features the Taller Arch that allows you to stand up at the helm

- Extremely clean cabin, Excellent Cockpit upholstery
- New cockpit carpeting
- carpet protecting Canvas Runners for the cabin (washable)

Engine & Generator Notes

The port engine was replaced in 2008 (under Mercruiser warranty) and now has 400 hrs on it. The Stbd engine was replaced 11/14 and now has 20 hrs on it. Risers, manifolds and water pumps were last changed Summer of '13. These 380hp Fresh Water Cooled inboard engines are consistently maintained and serviced.

The generator is a 7.2kw Westerbeake diesel unit with 970 hrs. The genset is located in a Soundshield and gets serviced every Spring.

Service records are kept aboard the boat for your review.
