## Overview

---

LIBERTY CALL represents an outstanding combination of beautiful Scandinavian craftsmanship and proven design characteristics from German Frers. She is extremely well equipped, with multiple electric winches, furling sails, bow thruster, generator, air, diesel heater and much more.

While LIBERTY CALL is an ideal blue water cruiser, she has also proven herself racing with a top-three finish in class in the last two Newport-Bermuda races.

A great value for someone seeking comfort, safety and performance!

## DETAILED INFORMATION

---

### REMARKS

---

LIBERTY CALL represents an outstanding combination of beautiful Scandinavian craftsmanship and proven design characteristics from German Frers. She is extremely well equipped, with multiple electric winches, furling sails, bow thruster, generator, air, diesel heater and much more.

While LIBERTY CALL is an ideal blue water cruiser, she has also proven herself racing with a top-three finish in class in the last two Newport-Bermuda races.

A great value for someone seeking comfort, safety and performance!

### ACCOMMODATIONS

---

LIBERTY CALL sleeps five in two private staterooms, plus two in the main salon. Her interior is finely finished in light mahogany with satin varnish. Cabin soles are varnished teak and holly with removable carpet covers; overheads are fabric panels with mahogany strips. Interior décor includes Ultrasuede upholstery and throw pillows.

Starting forward, the guest cabin features a v berth with 7' long berths and a filler to convert to a double. There is a large dresser, hanging locker, and several other storage lockers. There is also a completely private head and separate shower stall.

The warm, inviting main salon includes an L-shaped settee to port, full-length settee to starboard and large drop-leaf table with storage on centerline to accommodate six with ease. Generous storage can be found outboard settees on each side.

Further aft to starboard is the galley, conveniently located adjacent to the companionway. Features include:

- (2)-burner gimballed propane stove with oven and broiler
- Remote electric propane shut off
- Well-insulated refrigeration and freezer compartments with water-cooled 12 volt Isotherm SP system and dual thermostats
- GE microwave (2012)
- White Corian counters with teak fiddle rails
- Extra deep double sinks with covers
- Pressurized hot and cold water
- Fresh and salt water foot pumps
- (6) Sets of HR china
- Bread board, crockery locker, cutlery drawer and waste bin
- Spice rack

The nav station, aft to port, provides a comfortable forward-facing chart table, full instrumentation, lots of storage and easy access to the electrical switch panel. Walking further aft toward the owner's cabin, one finds more storage space, a hanging locker and a large engine room access door inboard.

The large owner's cabin features a double berth to starboard, single berth to port and seat on center. There are numerous lockers, shelves and a hanging locker and mirror. A private head with separate shower stall is to starboard.

---

## ELECTRICAL SYSTEM

---

- 12 V DC / 110 V AC electrical system
- Fisher Panda 6 kW generator, 112 hours
- Mastervolt 12 V/2000 watt inverter (2013)
- Mastervolt 12 V/80 amp battery charger
- Mastervolt voltage monitor unit
- 700 Ah house battery bank (new AGM 2009)
- 62 Ah dedicated engine start battery (new AGM 2009)
