Fuel Capacity: 300 Gallons

Accommodations

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 3

Manufacturer: Mercury

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Overview

This powerful center console goes further faster on an innovative step hull that features stylish lines. The bullet-style console with forward seating glides to port with a touch, for an easy step-down into a spacious head with vanity and sink. Then there's the huge storage capacity courtesy of two uniquely designed gunwale lockers. The "always ready" anchor storage means no bow pulpit. Integrated storage, bait well, and options in the forward lounge seating provide unmatched comfort and versatility.

You can expect the same smoothness on the water that every Intrepid is known for. A smooth, dry ride and maximum deadrise are the result of Intrepid's industry-leading transverse stepped hull design.

This boat is constructed with Kevlar and PVC Foam core vacuum-bagged wood-free construction providing unprecedented strength, rigidity and safety without the performance-robbing weight. This boat has been meticulously and professionally maintained by a very discriminating owner! You have to see it to fully appreciate what a remarkable opportunity this offer is.
