Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Walkthrough

This Larson 274 Cabrio has always been stored in a covered rack and it shows. This boat has a rail around the swim platform with removable rod holders allowing this boat even more usable space and versatility. The cockpit space is well used as well. The helm has a double seat, with an aft facing lounge to port. Behind the helm, the aft facing seat creates space for four to comfortably sit about the removable table. Just to port is the wet bar. In the cabin the Larson feels larger than 27'. With space for four to sleep comfortably, a full galley, and a head with shower the Larson remains bright.
