ХАРАКТЕРИСТИКИ

Обзор

SUPERNOVA has undergone two major shipyard upgrades and customization, a “**completely turn-key**” yacht! This yacht has been maintained by the same captain, who has proven to be extremely proactive and keeps a “first class” ship. The Owner has only had one captain.

Recently repainted from top to bottom with Awlgrip, by one of the top paint specialists in Fort Lauderdale! She is ready for her next owner!

Motivated Seller!! Act Now!!

A superb and finely customized 100' Hatteras featuring four Owners Staterooms and six heads, SUPERNOVA boasts an elegant “Full Beam” Master Stateroom situated mid-ships on the lower deck and features a King sized bed and “his and hers” baths.

Her soft goods and many of the electronics have recently been redone and she boasts the warmth and rich feeling of Cherry wood throughout. With separate Crew Quarters aft and a private entry, this yacht promises to be the absolute in privacy and luxury for the aspiring 100 foot buyer.

The spacious walk-around decks and large entertainment areas give the feeling of a much larger yacht and provide 360 degree access. The 100' Hatteras is renowned for its sturdy solid fiberglass hull construction and excellent sea handling capabilities, especially when faced with adverse weather conditions.
