SPECIFICATIONS

Overview

This Sea Ray 390 Sundancer "Perseverance" is absolutely gorgeous. She is truly the example of Sea Ray's ever-popular 390 Sundancer. . She has been pampered since new and truly shows like a two or three year-old boat. She sits in a covered slip and is professionally maintained. She has all the right options including recently serviced Cummins diesels, AC/Genset, upgraded electronics, new Sat TV, a custom cockpit sunshade and a white hull, so no color fade! She is always show-ready and is 100% in every way. There are plenty of Sea Rays out there, but if you are looking for a "10" then come see this one first.
