SPECIFICATIONS

Overview

The owner has just further reduced the price on this extremely well kept 43' Tiara. He would consider a trade to a smaller center console with outboards.

Vessel Walkthrough:

The forward owner's stateroom has a Queen size, walk-around berth and privacy door. The large salon has an L-shaped lounge with storage underneath and sleeps one. A large convertible U-shaped dinette sleeps two. The galley is aft and to port. The head is opposite to starboard with separate stall shower. The interior is teak with teak and holly cabin sole. The dinette and lounge have been recently upgraded to leather. The Sony stereo system has Bose speakers throughout. The bottom of this boat was also recently completely painted as well as a new barrier coat application and prop speed. All regular maintenance, canvas and electronics have been kept up or improved upon on a regular basis.
