SPECIFICATIONS

Overview

The 390 Coupe Express is one word, versatile. The 390 features the largest cockpit in its class, with more than 150 square feet of integrated cockpit and helm space. Plus, convertible transom seating converts from split L-shaped seats with a central entry gate, to U-shaped booth seating with table, to the ultimate lounge utilizing filler cushions and the reclining transom back rest. Aft on the transom, you'll find convenient transom storage for jackets, fenders, hoses, and shore power cords.

The helm features a double-wide captain's chair with flip-up bolster and foot rest provides hours of comfort and is designed to easily adjust. The companion lounge adjacent to the helm provides ultra-plush comfort along with terrific views.

On the bow, a flip-up sun lounge allows you to be in the sun and aft the 390 Express Coupe is equipped with an electric accordion shade that offers the largest sunroof opening in its class - a full 42 square feet; operable at the helm. Access to the bow or cockpit is easily maneuvered through a 10" walk-around and self-draining steps offer safety and convenience.

The master stateroom features a full-beam with double berth, port-side settee and cedar-lined hanging locker.

The galley is fully equipped with sink, fridge, electric stove and a microwave/convection oven. The forward dinette offers seating for up to seven and this boat has the option to convert the seating to flip up berths.
