Overview

GLOBAL JUST FINISHED HER 5 YEAR HAUL OUT

READY FOR SALE

*M/Y Global is a true combination of Elegance, Utility, and Luxury incorporated to form an unprecedented evolutionary step in large pleasure craft with safety and seaworthiness in the forefront. Built by Shadow Marine in 2007 this vessel coined the phrase "Sport Utility Vessel" of the sea. Global was built to be the lead ship of the evolutionary ALLURE Class and was built by her original owner to travel **Any Ocean, Anywhere, Anytime!***

Each of her 5 decks has been carefully laid out and demonstrates the ultimate in elegance with practicality, utility, and a comfort. Four upper levels provide spacious, well-appointed areas for lounging and entertaining along with 6 luxurious staterooms. Her lower deck combines serviceability with crew comfort, so crucial for morale and retention.

Key features of M/Y Global's interior include; 6 staterooms with private balconies, a sky lounge offering panoramic views, a fully equipped workout facility, and a movie theater featuring the latest in automated audio and video technologies. A dining area that lets you watch a helicopter land and take off from the deck are among the features making this converted vessel stand out. There's also a 65" TV in the theater on the lower deck, just forward of the galley.

Exterior features include: a large swimming pool, a Helipad, a davit, and a high capacity crane. With all of these features coming standard on every M/Y Global vessel, Shadow Marine has created one of the finest, most versatile, sport-utility vessels available on the market today.

M/Y Global is a 67.10m motor yacht, custom built in 2007 by Shadow Marine. The yacht's interior has been designed by Shadow Marine and has exterior styling by Lay, Pitman and Associates. She was last refitted in 2007 and is always being updated and maintained.

Main Deck

M/Y GLOBAL's Main Deck is the center of activity, featuring a swim platform, large aft deck, and hangar with an interior featuring a galley, crew mess, game room, theater / library, sauna and a gym.

The hangar is not just a place to keep the helicopter, but actually a climate-controlled (20-ton AC system) 48 ft. x 35 ft. x 19 ft. (14.6 m x 10.7 m x 5.8 m) safe-haven for all of the "toys" that have become essential for yachting. Climate control means sophisticated equipment can always be protected from corrosion and, if need be, there's ample space for large parties or concerts. GLOBAL's hangar is fire and explosion certified and has a ventilation system that changes the air 6 times per minute

Her fully-equipped galley will please even the most particular chef with commercial appliances, stainless steel counter tops, spacious cabinets, and a large walk-in cooler / freezer. Food and beverages can be sent quickly via a dumbwaiter to the Sky Lounge or Service Bar.

GLOBAL's game room provides a secure place for the young and young at heart to pass the time with an eight-seat poker table or it can be converted into another ship's office providing ample storage for documents with her built in wall cabinets.

The theater / library is luxurious and comfortable with spacious seating, including reclining couches and a 65' inch (165.1 cm) flat panel display. The gym is laid with black composite fitness flooring and is complete with a variety of equipment, a full head and

steam room.

Aft Deck / Swim Platform Main Deck

Aft Deck Space 114 ft. X 32 ft. (34.8 m x 9.6. m)

- Remote Control Telescopic Crane: 35 tons / 81 ft. (24.68 m) reach

- Free Weights
- Treadmill Pilates Mats Exercise Bike

Broker's Comments

Global (formally Allure) is a very well cared vessel with all her surveys, maintenance intervals and ship's log books updated. She is a highly sought after charter vessel currently and she has been previously used in various ways unique to her build and

systems. The Heli Pad, Hangar, and Deck Crane make her highly sought after on the Charter Market. The Captain of the vessel which has been with it since it's build date takes great pride in her appearance, systems, maintenance schedule, and safety. His passion and knowledge has brought Global around the world and the pictures and memories he shared opened shows his love for this vessel and love for her capabilities. Having personally spent time on her I can say the sky is the limit for what her next owner can use her for. Luxury and Utility combined makes GLOBAL the perfect Private Yacht, Charter Investment, Shadow Vessel, Mothership, Exploration Vessel, Luxury Research Vessel, or just to load your bags and toys onboard and clock out for a spell to explore the world.

Crew Deck

GLOBAL's crew deck provides pleasant accommodation for up to twelve crew in six comfortable and efficient cabins with extended ceiling height, each with a bunk bed, personal storage closets, an oversized portlight, work desk, and a private head with walk in shower. Just aft, is the tastefully appointed lounge providing her crew with their own space to gather for meetings. The crew is protected by water tight doors with emergency escape hatches.

All of the crew areas are finished in premium cherry laminate with Mahogany solid wood moldings. Vanities, desk tops, nightstands and tables are Corian. Window closures and interior joiner doors are painted chocolate brown. Interior walls are vinyl soft core panels and / or painted. Forward, out of sight but easily accessible, is GLOBAL'S commercial grade laundry equipped with only the most modern equipment to help lighten the cleaning burden of such a large vessel.

Often forgotten by yacht designers, GLOBAL's engine room and steering machinery compartment has her Engineer in mind. Located astern, it features an enclosed, sound-proofed, bullet proof, climate-controlled Engineering Officer's Station where both of the main engines and the GLOBAL's three generators can easily be monitored.

Crew Staterooms/Crew Lounge

- (6) 2 Bunk Crew Staterooms Featuring:
- Private Head and Walk in Shower

Guest Deck

All six luxurious staterooms on GLOBAL's Guest Deck have a full head and private balcony. Five of her staterooms have queen-size beds. The sixth is perfect for children, furnished with a bunk bed.

Setting the graceful ambiance that helps define the GLOBAL Class, Guest Deck furniture, casework, overhead soffits and accent wall panels are "Obeche Veneer" from a Chinese Poplar known as "Koffee Fineline." "Indian Ebony" is used in the elevator, the stairway entry to the Sky Lounge from the guest deck and the Sky Lounge powder room. All solid wood components are Mahogany.

All of the staterooms have more than generous storage and are equipped with flat

panel televisions with a Kaleidescape System providing full access to 600 movies, 2,000 songs, satellite TV and music via GLOBAL's entertainment system

- Ship's Bell
- Staircase to Sky Lounge Deck

Skylounge/Helipad Deck

GLOBAL's Heli-deck measuring 50 ft. x 34 ft. (15.24 m x 10.36 m) is much more than a landing pad, with an industrial grade fire suppression system, tie-downs and folding safety railings. All evidence of GLOBAL's versatility, the space doubles as a banquette area for large parties when not occupied by a helicopter.

Stepping down from the aircraft, arriving guests move forward to GLOBAL's Sky Lounge. Entering thru a grand Stainless Steel sliding door where there's tasteful and welcoming open interior space for entertaining and dining with enough seating to accommodate family and guests, all complemented by a 65 inch (165.1 cm), flat panel, HDTV with Kaleidescape entertainment system.
