SPECIFICATIONS

Overview

The Hunter 44 Deck Salon is an innovative cruiser with a performance orientated hull. The Hunter 44 carries her beam well aft, but the additional beam does not hinder performance or sea keeping ability, it actually enhances it. Wide windows and ports offer a real panorama and the creative layout allows for two full staterooms with two full heads with separate stall showers. Galley appliances are stainless steel and surrounded by genuine Corian countertops. Innerspring mattresses are standard in both spacious staterooms and there is even a special desk/office area in the master.
