ПОДРОБНОЕ ОПИСАНИЕ

Boat Highlights

The Sunrise Yachts 150 Open highlights are comfort, speed, style, volume and functionality. Although this yacht is designed for high speed cruising, emphasis has been put on functionality utilizing the volume for storage to become more autonomous, without compromising the living areas and the sleek lines of the yacht. Tankage on the yacht has been maximized to give the yacht a better range and meet the more stringent environmental regulations allowing the yacht longer cruising times between bunkering and provisioning. An example of functionality is that the jacuzzi will have its own supply tank so this does not create water management problems. Creative use of space and design can be found on the aft deck where the bulwarks fold down to create large balconies giving the feeling of a much larger yacht.

Accommodations

The interior design is a contemporary Focus Yacht Design that can be custom built to the clients taste. There is an alternative layout that can be configured for the lower guest areas (see GA). The two aft guest cabins can be changed to have a large full beam VIP. Focus Yacht Design have just completed the interior on the 63 meter IRIMARI which was at the Monaco 2015 yacht show. The yacht comprises of 5 guest suites, with 4 cabins on the lower deck and the master suite on the main deck forward, all with spacious ensuite bathrooms. With a huge beam of 9.1 meters the main salon is very spacious with large windows that permit unrestricted views of the ocean letting in plenty of natural light. The yachts main deck bulwarks have glass installed which enables the unrestrictive views from the main salon. The sundeck comprises of a fully functioning bar with ice maker and wine fridge. A fully operational BBQ is also found on the sundeck. The sundeck roof can be retracted at a press of a button.

Galley

- One stainless-steel refrigerator/freezer, stand-alone type
- One six-burner electric induction cooking range
- One custom stainless steel exhaust canopy with fire extinguishing system
- One cooking oven
- One similar steam oven
- One microwave oven
- One professional dishwasher
- One waste grinder/disposal units for under sink installation
- One under-counter trash compacter

Upper deck pantry

- Microwave oven
- Ice machine
- Under-counter fridge
- Wine fridge

Main deck pantry

- Ice machine
- Under-counter fridge
- Coffee maker
- Under-counter wine cellar

Features

A large beach club will be accessed from the swim platform, this area will give ample space to relax and serve as a spacious platform for water sports. Main deck aft fold down balconies make use of space that is usually never found on a yacht of this size. The jacuzzi will have its own integral treatment supply tank. This will help water management and will permit the jacuzzi to be filled rapidly without draining the yachts water supply. Large windows for the main salon and sky lounge create amazing unrestricted oceans views.

Audio & Visual Equipment

The entertainment system will be comprise of proven technology, supplying the entire vessel with Satellite TV, Music on demand from a central server using TV, controlled by one color screen remote. Docking stations and bluetooth capabilities throughout the entire yacht.

- 1 Central Rack & A/V Server
- 1 x Media server - 3 TB 1 x Rack-mounted monitor and keyboard for server work and media additions 2 x UPS Power backups
- 2 x 16 Port Giga switches 1 x Giga Router

Zero speed stabilizers

- Electro-hydraulic gyro-controlled non-retractable zero-speed
- Fin stabilizer system made by ABT/TRAC®, NAIAD®, or equal

Aft Deck

The aft deck is unique in design with the large folding down bulwarks on both port and starboard sides, giving the feeling of a much larger yacht. The balcony areas have stainless steel stanchions creating a safe area for sunning.

Communications & Navigation Equipment

- VSAT connected to PABX telephone exchange and ships LAN system
- Inmarsat-C Station with GPS option and dedicated printer
- Two VHF transceivers with DSC class A
- Cellular Phones: one GSM base station phone with its own 24DC/12DC power reducer, connected to the vessel's PABX system
- One Inmarsat Fleet Broadband station with a dedicated fax , an emergency push button, connected to a GPS NMEA output, providing a connection to the telephone distribution and allowing data transmission
- Two handheld GMDSS VHF
- SSAS with add-on Kit Alert & Test buttons

Engine Room

- Make: MTU®
- Type: 12V4000 M93L - 1DS
- Rating: 2 x 2,580 kW (3,460 bhp) @ 2,100 rpm
- 2 GEARBOXES
- Make: ZF MARINE®
- Type: ZF 7600 (to be confirmed)
- Reduction: 3:1 (to be confirmed)
- Engine Controls
- The engines and gearboxes shall be controlled by MATHERS®, REXROTH®, or equal, controls
- There will be three stations: The main station in the wheelhouse and wing stations on the sundeck

Generators

- Make: KOHLER®
- Type: 100-EFOZD
- Rating : 125 kVA, 50 Hz, 400/240 VAC, 3-phase
- Engine: 6-cylinder, 1,500 rpm, heat exchanger-cooled
- Standby Generator set

- Make: KOHLER®
- Type: 30-EFOZD
- Rating : 36 kVA, 50 Hz, 400/240 VAC, 3-phase, 24 VDC starting
- Engine: 4-cylinder, 1,500 rpm, heat exchanger-cooled

Electrical system

- Two generators rated at 100 kW, 400/230 VAC, 50 Hz
- One standby generator rated at 30 kW, 400/230 VAC, 50 Hz
- One shore power input rated at 100 A, 208/400/415 +/-10% VAC, 3-phase, 50/60 Hz
- 24 VDC battery banks
- 24 to 12 VDC converters for each individual 12 volt consumer, when necessary

Treatment plant

- Hamann sewage treatment plant installed in engineroom

Sundeck

The sundeck is well protected from the wind when dining and sunbathing. The social areas are spacious enough to accommodate larger parties with ease. A BBQ is close at hand along with a full service bar. The hard top roof can be retracted at a touch of a button. The jacuzzi aft has a self contained integral supply and treatment tank, so the wait time for this to be set up for use is non-existent.

Исключения

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности
