SPECIFICATIONS

Overview

This is a rare opportunity to acquire a truly iconic Sunseeker. With its sleek and aggressive profile "ZULU" presents itself as one of the best looking boats available on the brokerage market. Powered by twin MTU 16V 2000 M93 on shafts, stabilised with factory fitted TRAC stabiliser fins, this awe inspiring vessel impresses in both design and performance. Having undergone an interior refit in 2014 by Baldwin Harris, "ZULU" satin cherry interior is complemented by carbon fibre features, light grey soft furnishing and a number of non-Sunseeker factory design features. The guest accommodation comprises four ensuite cabins; one master stateroom, one VIP double cabin and two twin guest cabins, with further accommodation for four crew. The spacious deck area of this 32 Metre vessel has two bow sunbathing areas, complete with a spa tub and a large aft deck with dining table and seating. In 2014 all exterior cushions were recovered in light grey Sunbrella. The asking price includes a 2014 Williams 445 jet tender, stored on the rise and fall hydraulic aft platform, with further storage available in the large garage. This boat is in outstanding condition for her age and will not disappoint on viewing.

Basic Information
