# DETAILED INFORMATION

---

## Vessel Walkthrough

---

The Back Cove 37, continues with the same practical features, usability and low maintenance which have built the popularity of the Back Cove brand since it's inception. Starting forward in the Master Stateroom there is an Island Berth for ease of egress, and for stowage of owner's gear, there are many lockers and drawers provided. To starboard aft of the Master is a full Guest cabin with double berth and plenty of storage capacity. Opposite and to port is a large head unit with separate stall shower.

Between the lower and salon sole levels, there is a Mid-Galley fully equipped with a two burner cooktop, two-drawer Refrigerator / Freezer, a Microwave / Convection Oven, and a deep sink as well as many drawers and lockers for galley storage. An optional dedicated Stainless Steel Freezer is conveniently located opposite the galley beneath the helm seat base. Large windows overhead give this Galley ample visibility and light.

In the Salon are twin Stidd seats for helmsman and crew. Aft of the Helm seat an L-Shaped Settee and to port a shorter Settee. A large inlaid table offers a comfortable and elegant space for dining with crew and guests. Large windows provide ample light and air while overhead a large sliding pilot hatch allows air to flow through this space. Opening to the cockpit are large swing doors which completely open up the salon to the cockpit. The fixed cockpit seating will provide the comfort you desire for socializing with guests. Engine access is extraordinary, as the salon deck raises hydraulically to expose the yacht's mechanical systems.

## Salon / Helm

---

- L-Shaped Settee To Starboard w/ Hi-Low Table – Converts To Double Berth
- Double Settee Opposite w/ Molded End Table
- Teak and Holly Flooring
- Flip-Down LCD TV In Headliner

- Air Draft to top of optional radar mast 12' 6" 3.81m
- Draft (Prop) 43" 1.09m
- Displacement (typ. full load) 22,100lbs 11.05t
- Fuel 300 US Gals 1135.6l
- Water 120 US Gals 454.3l

## Speeds

### Back Cove 37 - Final Boat Test Numbers:

	RPM	KNOTS	GPH	RANGE	dB(A)
1000		7.0	1.5	1,260	62
1250		8.3	2.8	805	67
1500		9.5	4.7	547	68
1750		11.6	8.3	378	71
2000		14.4	10.7	364	73
2250		17.9	14.7	329	76
2500		21.1	18.5	308	78
2750		24.9	23.0	292	81
3080		27.7	31.3	239	82

Speeds are two-way averages measured w/ Raymarine GPS. GPH taken via SmartCraft monitor. Range is based on 90% of advertised fuel capacity. Sound measured at helm. 65 dB(A) is the level of normal conversation.
