ХАРАКТЕРИСТИКИ

Обзор

Built to RINA Class-With accommodations for 12 guest in **six staterooms** the 127' IAG "ME" offers space and comfort only found on much larger yachts. The grandiose design provides a very open and inviting effect. In addition, the interior and exterior space flow seamlessly throughout. The salon and sky lounge each extend to an exterior covered deck that is accessed through automatic electric doors which makes each area great for entertaining. The fly-bridge with the her Jacuzzi and lounge area provides a great area to sun bathe and take in majestic view of surrounding ocean, The hand crafted Italian interior is a showcase of style and elegance. With a blend of minimalist features plus a play of natural wood veneers and stone accents, "ME" will continue to surprise and delight, both visually and to the touch.

Additional Photos and Video available upon request.

EASY TO SEE IN SOUTH FLORIDA! **TRADES CONSIDERED.**

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

IAG Yachts - Introduction

THE NEXT GREAT YACHTING LEGACY BEGINS

The *PrimaDonna Series* is already seen as an ultra high quality Superyacht that has been designed, engineered and managed by very experienced and skilled Italian Naval Architects and artisans who are sharing their talents and secrets with the best Chinese craftsmen in Southern China, not by remote communication but by moving full-time to China to hands-on manage every aspect of the Shipyard operations. This 127 foot fiberglass composite motoryacht demonstrates great style while also offering a very high volume 3 deck design with a generous 26.5' beam. At 220 tons and with a semi displacement hull form, she offers 17 knot speed. The zero speed stabilization will keep all guests aboard in comfort even at anchor.

The builders of this series have been selected by the owners of the shipyard for their vast commercial and pleasure yacht experience in construction. The projects completed by them in Italy are literally a "who's who" of famous and widely acclaimed masterpieces.

The "*PrimaDonna 127*" series is aptly named as the first tri deck yacht line from this shipyard. Hull # 1 was launched in 2010 and debuted at the 2011 Miami Boat Show. She was sold in May of 2011 and was then exhibited at the 2011 Fort Lauderdale Boat Show as an example of the quality that IAG Yachts is capable of delivering. Over the past six years the yard has completed five yachts that range in size from 101'-140' and are in the process of completing a 133'. The 2014 127' IAG "ME" is currently available for sale in South Florida. With 6 staterooms for the owner and guests plus a crew accommodation for 8 with the captain on the bridge deck, the 127' series line will be a popular charter yacht design. Built to Rina Pleasure Class, these PrimaDonna series tri-deck motoryachts are a significant competitive offering from this shipyard.

While her exterior is fared and painted to perfection, her beauty is not only skin deep. The hand crafted Italian interior is a showcase of style and elegance. With a blend of minimalist features plus a play of natural wood veneers and stone accents, the "**ME**" will continue to surprise and delight, both visually and to the touch.

Achieving physical beauty inside and out is never enough in a highly competitive world market. She must also have the myriad of operational systems enough to match a small city and each system must be accepted by her Class and Registry to comply with flawless operations, safety and sanitary standards.

These points have all been achieved, which simply put, makes "ME" the best new yacht value in the world.

Navigational System Highlights

- Furuno X-band radar, FAR 2117, ARPA system w/ 6.5' open array antenna - 96 NM range & video plotter function
- Chart plotter system-VEI Marci Pro
- GPS/AIS systems - GPS and transponder giving vessel data, position, heading, speed
- Sailor RT 5022 DSC Class A VHF
