Manufacturer Provided Description

The Fountain 34 Sportfish CC Open Bow was designed with the tournament fisherman in mind but it will certainly do double duty as a dive or runaround boat. A 9-foot 6-inch beam makes the 34 easy to trailer and provides a smooth, stable ride in the ocean. This boat incorporates a positive lift, notched transom, pad keel hull design. This boat has padded gunwales, lots of rod storage and insulated fish coolers. The console includes a large head and a T-top. The aft section incorporates a 50-gallon circulating livewell with a padded seat and a walk-through transom door.
