SPECIFICATIONS

Overview

The 34' Marine Trader is an industry classic, being one of the best selling small trawler models ever. The flybridge was revised in 1991, and the teak window frames were eliminated in 1992 on all 34' Marine Traders, making it solid built boat.

Tortuga is a well maintained 34 Double Cabin, great for cruising the Keys and the Bahamas. Impressive fuel burn, with a cruise speed of 7 knots burning only 2-3 gallons per hour.

A full bottom job completed was in Jan 2015
