# SPECIFICATIONS

---

## Overview

---

This 2003 35 Jupiter is a truly unique convertible and is a well-appointed vessel that will stand out wherever it goes. There are only a couple on the market today and a handful have ever been built. This 35 foot convertible uses its space in an economic and aesthetic style, leaving it feeling like a much larger boat. Don't miss out on your opportunity to own a one of a kind sportfishing vessel.

## Basic Information

# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Numerous upgrades and service done to this vessel! Last year, the port engine was completely rebuilt, with new turbos, alternator, starter, injectors, injector pumps, etc. The starboard engine was partially rebuilt, everything but the cranks itself. The generator was installed brand new 4 years ago and boasts less than 100 hours on it. With custom bow cushions, canvas, multicolor LED underwater lights and LED under gunnel lights, this boat is an absolute must see. New bottom job and new generator put on the boat spring 2015.

As you step aboard the vessel on the fixed swim platform, you will enter the cockpit through a transom door. Upon stepping forward between two large and comfortable mezzanine seats you will get to the Salon entrance. As you enter the salon, you will see a comfortable dining area to port and a wide L-shape settee to starboard. Moving forward, you will take a couple steps down into a wide galley sporting a refrigerator, stove, microwave and ice maker. To starboard, on the lower level, is the head which has access directly from the companionway. Finally, straight ahead is the master stateroom, with an island style berth and mirrored closets to port and starboard. The flying bridge hosts a number of creature comforts as well, with swiveling helm seats for two, and a bench seat forward of the console. The helm sports a well-equipped rocker switch panel, VHF and electronics features that puts the entire boat at your fingertips.

---

## Salon

---

- Ultra leather sofa
- Collapsing Dinette for Second Berth
- Mini Bar Cabinet
- 110V outlets

---

## Galley

---

- Two Handle Stainless Steel Sink
