BARTENDER — Tansu Yachts Page 4 of 12

SPECIFICATIONS

Overview

The 119-foot (36.4m) custom expedition motor yacht BARTENDER for sale with Northrop & Johnson was built in 2011 by Tansu, which also was responsible for the yacht's rugged, but chic exterior and a luxuriously modern interior. BARTENDER features open, flowing spaces with exceptional interior volume. Large windows further enhance the openness of the interior and chic décor helps set a relaxing and comfortable atmosphere. Five luxurious staterooms, including one owner's suite, two double staterooms and two twin staterooms, are able to accommodate up to 10 guests in world-class style. A crew of seven is able to provide five-star service on BARTENDER. On deck, BARTENDER's open, flowing spaces continue. Aft, a lazarette is able to store an array of equipment, including diving gear and toys. The tenders are exposed, allowing crew easy launching access. When removed, the deck is open and able to be used for sun lounging. The main deck aft offers a comfortable two comfortable alfresco dining tables, one to port and one to starboard, with built-in seating. The upper deck features built-in sunpad seating, which can be covered, and a built-in bar/DJ booth. Well suited for both exploration and luxury living, BARTENDER is a sleek, custom full-displacement yacht with modern stabilization systems, a steel hull and aluminum superstructure. BARTENDER complies with MCA and RINA standards. Awards & Nominations Showboats Design Awards 2012 Interior Design Award: Displacement Motor Yachts 100'-199' Winner Showboats Design Awards 2012 Exterior Design & Styling Award: Displacement Motor Yachts 100'-199' Finalist
