DETAILED INFORMATION

56' Sea Ray Motor Yacht NOBLE HOUSE

From stern to stern, the layout of the 56' Sea Ray is ideal for Family cruising, especially in South waters. Starting at the Bow, there is a spacious foredeck with full railing, stainless steel anchor chute and windlass with a plow anchor and chain. Of course, there is the double Bunny Pad and side decks. All the way aft is the Hydraulic lift for the dinghy and a gate leading to the aft deck. Access to the engine room is through a hatch in the cockpit sole. Wide stairs lead up to the flying bridge and sliding glass doors open to the salon. Settees flank both sides of the salon with wonderfully large windows that bring lots of natural light and are low enough so the passing view is easy to see. Going forward, a dinette is to, port and the galley to starboard, both with matching Corian tops and beautiful satin cherry woodwork. Abundant storage is everywhere. Stairs to the staterooms are in the center line down four steps with the two guest staterooms on either side. Just forward of the starboard stateroom is the door to the guest head which serves as a day head as well. The port room has upper and lower berths while the one to starboard has a queen size double. All the way forward is the master stateroom with a massive center line bed, more than ample storage, access to the private master head, and an escape hatch over the bed. Up on the flying bridge, there is a settee at the aft end just behind the helm and companion chairs. The layout of the console has everything in easy reach and great 360 degree visibility. The enclosure has six UOuts to allow for the breeze to pass though. Forward of the helm console is another seating arrangement with a bar on the starboard side. As many as eight people can sit comfortably on the bridge.

Salon

This is a large spacious area with big windows providing great views. The port settee has storage beneath it. Both are done in an offwhite ultra leather. The decor is beautiful with satin cherry woodwork, beige carpeting, white blinds, and an entertainment center. Lighting is from the overhead as well as indirect lighting under the settees. All switches and AC controls are within easy reach. Electric panel behind cabinet door (8) Throw pillow and (2) throws Hassock with storage for vacuum cleaner hose and tools (13) ceiling lights including those over the galley and dinette Switches for cockpit lights and AC control Samsung 42" TV (4) Sony speakers Central vacuum inlet Storage compartments

Galley

Just forward of the salon, but seemingly part of it, there is a dinette to port and the cooking area to starboard. The countertops of both the dinette and galley are granite again, nicely complimented by the gorgeous woodwork. There is ample storage. The floor is black marble. Storage cabinets and drawers Trash compartment with separate access door for trash removal Pressure water system 3burner stove top Refrigerator with ice maker Freezer drawer Duplex outlet for small

Brokers Comments

Noble House is one of the cleanest and updated 56's on the market. Awlgrip Paint 2012 Matterhorn White makes this 56 stand out from the rest. Owner decided to tone down the interior from the 1990's and transform interior wood finish to satin cherry. All door and drawer fixtures are being replaced with a brushed chrome tasteful finish. New \$20,000 new Raymarine Electronic package NOBLE HOUSE represents the freshest and best valued 56 on the market today.

Exclusions

Owner's personal belongings.
