DETAILED INFORMATION

Manufacturer Provided Description

The new FiftyFive, whose innovative features suggest that it has everything it takes to become one of the great stars of the fleet, personifies the new modern style of the shipyard. A radically new vessel that is able to combine top performance and a layout offering unprecedented space both internally and externally. This is a motoryacht with a marked contemporary feel, that clearly reveals the development and technological improvements made to the craft, the totally modern nature of its design and the way it reflects the latest trends in terms of style. Outstanding performance, the shape of the boat that now has higher bows and a slimmer, loftier stern than before, a redesigned deck, that increases the sporting style of the boat which boasts sea performance as one of its most important features. The new FiftyFive offers highly innovative solutions in terms of space optimization. A 55 footer remarkable for its dimensions: the 'enlarging' effect offers unprecedented freedom of movement in every area. Nothing has been left to chance in this design that combines innovative, practical solutions with respect for a highly distinctive style. The dynamic and aesthetic evolution of the boat is accompanied by the sophisticated functionality of the interiors, aimed at guaranteeing ultimate privacy, versatility and comfort.
