ХАРАКТЕРИСТИКИ

Обзор

"Diamond in the Rough III" is a one owner boat and came out of the Great Lakes. She was stored in heated showroom until 2013 when it was purchased by current owner and brought to Florida. Has a 2 year warranty on her Cat's and priced right. Take a look and you won't be disappointed.

ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walkthrough

The Princess 42 has been an iconic Princess model, setting the benchmark for fast Motor Yachts in her size range. An ideal family cruiser, she combines confident sea-keeping with strong performance and class leading interior space for elegant entertaining. "Diamond in the Rough III" adopts a lean and more dynamic profile with wrap-around windscreen and larger, sleeker windows and port lights. A wealth of design detail adorns the interior too, from the well proportioned teak laid steps linking the cockpit and flybridge, to the impressively wide side decks and thoughtfully positioned hand rails. She's wonderfully practical too, with a large lazarette and storage below the cockpit seat, and an easily accessible engine room. Triple glass sliding doors link the cockpit and saloon, giving an exceptionally light and airy feel to the interior, accentuated by the huge wrap-around windows. Inside the sense of space is enhanced fabrics and a lustrous wood finish lend an elegant finishing touch to the practical layout. Complete with carpeting and carpet runners throughout. The spacious flybridge boasts generous U-shaped seating with an integrated sunbed aft, and a large folding teak table for alfresco dining. A refrigerated coolbox is integrated into the console ahead of the twin helm seats and an optional barbecue and wet bar can be used for relaxed entertaining on the flybridge. The lower helm provides outstanding visibility while the ergonomic and advanced instrumentation and controls ensure precise and comfortable handling. A few steps down, the open galley is well equipped with an electric cook-top, a large refrigerator/freezer, and a combination microwave oven. The lower accommodation comprises of an elegant master cabin and twin guest cabins, both en-suite heads with generously proportioned showers. Beautifully constructed and immaculately finished, "Diamond in the Rough III" is the very essence of a modern Princess Motor Yacht.

Aft Cockpit

- Self-draining
- Upholstered seat with fender and life raft stowage space below
- Cockpit lighting
- Cockpit cover
