## OVERVIEW

---

### MANUFACTURE DESCRIPTION

She was introduced in 1997 as the 405 Aft Cabin. Her efficient two-stateroom interior is arranged with the galley and dinette down from the salon. Angled double berths are found in each stateroom, and the only stall shower is aft. Light maple woodwork and big wraparound deckhouse windows make the salon seem larger than the actual dimensions suggest. The aft deck is large enough for entertaining a few friends, and the walk-around helm console on the flybridge provides plenty of topside seating. A hardtop and radar arch were popular options.

### VESSEL WALKTHROUGH

This conservative aft-cabin motoryacht offers enticing blend of space, comfort, and value. Expansive galley-down interior boasts a huge salon with L-shaped settee, full dinette, double berths in both staterooms. Large aft deck is surrounded with weather boards; swim platform has large storage compartment. Note wide side decks, foredeck sun pad. This vessel was a freshwater boat most of her life and now is professionally maintained with an open check book. This is the cleanest Carver 405 aft cabin on the market and ready for her next owner.
