## Overview

---

The sleek styling and upscale accommodations of the Meridian 441 Sedan offers a modern, luxury-class motor yacht appealing to liveaboards or coastal cruisers. Built on a modified-V with shallow deadrise aft the 441's wide-open floor plan ensures smooth flow and great panoramic sight lines between the salon, dinette and the full-service galley. The Meridian 441 has further enhanced its signature integrated two-tier window system to ensure improved visibility from all interior areas sitting or standing. The Meridian 441 has an impressive two-stateroom, two-head layout with a gracious master suite, located forward with a queen-size island berth complemented by innerspring pillowtop mattress. The spacious amidship guest stateroom, which spans the yacht's beam, features a double berth with ensuite head, vanity and plenty of storage. This vessel has been expertly maintained by MarineMax and had \$50,000 in service, updates & upgrades (see below).

All service records can be made available to interested buyers. Contact us today for more information and a private showing.
