ХАРАКТЕРИСТИКИ

Обзор

With 830 gallons of fuel onboard this versatile 53 Pilothouse is capable of long range. She can cruise up to 16-17 knots and sips fuel at trawler speeds up to 11 knots. She is a one owner vessel that has roughly 1000 hours of cruising. The owner has water maker, diesel generator and solar panels with inverter. The large salon and two stateroom layout make for a roomy vessel and the pilothouse area allows a skipper to enjoy handling a trawler of this size with ease. The upper deck is well protected with great views in all directions. Nice wide side decks, large forward deck, and large covered cockpit all make this a very safe and useful yacht.

Основная информация

Тип судна: Моторная яхта

Модельный год: 2006

Год постройки: 2006
