# SPECIFICATIONS

---

## Overview

---

The 280 Scout Sportfish, is a beamy center console that rides on a solid fiberglass deep V hull, and its notable that the fiberglass stringers run straight through the reverse transom and into the engine mount, transmitting the load generated by the engines throughout the hull. Powered with twin Yamaha 225 Four-strokes w/837 hrs. Standard features include: T-top with electronic box, spreader lights, a 30 gallon transom livewell, leaning post with full tackle center, cockpit bolsters and electronic motorized dash panel that protect all electronics. This is the complete package, don't let this one slip by!

---

## Remarks

---

**You might as well go ahead and make room on your mantle, because the Scout 280 Sportfish was designed by fishermen for fishermen, to bring home top honors in every offshore category. A huge walk-around fighting area ensures that you'll always have the optimum angle no matter where fish run; a complete bait prep station and tackle center make rigging a snap; the transom mounted, lighted live well keeps bait moving; and the two huge in-sole fish boxes can accommodate nearly any trophy-sized catch. The 280 Sportfish incorporates an aggressive deep-vee hull and raised sheer line that work in concert to provide a smooth, dry ride in all conditions. Factory-installed Yamaha power**

**assures consistent performance and reliability.**

**2014 Trailer included.**

## **Exclusions**

---

Owner's personal belongings.
