SPECIFICATIONS

Overview

Benefiting from major refits in 2001/2002 and again by her current Owners in 2006, this gentleman's motoryacht offers the discerning Buyer a classic exterior teamed with a stylish and modern contemporary interior. Always maintained with great care and attention and with no expense spared, she is presented to the market in immaculate condition and with her full technical and mechanical worklist completed this winter. Amongst a long list of items completed during an extensive yard period this included a complete overhaul of her MTU main engines and gensets, and removal and realignment of the shaft and running gear. She even has a brand new anchor chain. These are not Owners that let their yacht's condition deteriorate because they are Sellers.

Ten guests are luxuriously accommodated in one master stateroom, two guest doubles and two twin cabins, and MCA status and generous accommodation for 8 crew make her a vessel suitable for charter as well as private use. Keenly for sale, her Owners understand the market and are prepared to negotiate seriously with qualified Buyers.
