## 9. ENTERTAINMENT SYSTEMS

A completely new, integrated Kaleidescape/Crestron entertainment system with a Seatel 4004 TV Satellite dish and DAC 2200 controller was installed in 2008. It supplies music and video/TV on demand to any of the zones/cabins in the ship and can hold a total of about 850 DVDs and 1170 CDs. The zones/cabins are equipped as follows:

|                         |  |
