DETAILED INFORMATION

Manufacturer Provided Description

The 220IS is the first in a series of shallow-draft inshore boats from EdgeWater that make perfect bass boats for partners to search for their next trophy. Featuring a broad, stable, Single Piece Infusion (SPI) hull, the 220 floats shallow for lake and stream fishing, and is large and strong enough for runs offshore. Two live wells, massive storage compartments, locking rod boxes, and loads of standard features make this base model of bass boats ready to go and compete with the top models. These boats also are ready to trick out with options including trolling motor, t-tops, and seating. Check out your EdgeWater dealer for all the details.
