## Overview

---

The EdgeWater 158CS was designed as an offshore boat for escapades beyond the jetty or shuttling provisions to a private island picnic. Its rugged Perma-Grid® construction and Deep "V" hull give it the feel of a much larger offshore boat. The versatile 158CS packs the big boat features into a compact package, such as a self-bailing deck, hefty functional cockpit, ample storage, and the reliability of Yamaha Power. So when you head out in this offshore boat to the sea or to the beach, enjoy the day with complete confidence.

This 158CS also includes a matching single axle trailer with breakaway tongue!
