ХАРАКТЕРИСТИКИ

Обзор

The owner has done an epic job refitting this Garlington.

The original owner was country singer George Strait and was called "Day Money".

The listing below does not do justice or even begin to explain the refit on this vessel.

From the top of the carbon fiber hard top on the New Pipewelders Tower to the bottom of the Wave Formed Rudders, this boat has been turned into a 30-32 knot boat and have seen 40 knots of speed!

Enjoy Main Engine Warranties until December 2018 and dual generator Warranties until December 2017.

The "JARUCO" has Three SeaKeeper 8000's to ensure a comfortable time fishing or relaxing on the hook.

This is a 4 stateroom layout with 5 heads, cockpit mezzanine, full open bridge.
