DETAILED INFORMATION

Vessel Overview

This 2010 Sundancer 450 has a gleaming black hull and has been exceptionally well maintained. It only has approximately 385 hours on the Cummins diesels with the Zeus pod drive system. This includes *joystick* controls for ease of docking in any conditions and has the highly popular "sky hook" feature which will automatically maintain the vessels' stationary position when activated. This combination makes for stress free close quarters docking and maneuvering in tight quarters. There is a complete array of navigational equipment which includes a Garmin 5212 chartplotter as well as a Raymarine E120 chartplotter with 4kw HD radar and bottom sounder. The Mercruiser Precision Pilot Autopilot makes longer voyages a breeze and a Raymarine Ray 204 VHF provides reliable communications. The comfortable cockpit is protected by a full hardtop with an electric sunroof and the cockpit has it's own dedicated air conditioning system for cruising comfort. The cockpit even offers a flat screen TV connected to the satellite TV receiver and an electric grill, refrigerator and sink for entertaining at the dock or when relaxing in your favorite anchorage. The aft seat backs even swing open to convert to a large sunbathing or lounge area. The spacious air conditioned cabin below features a unique media room abaft the main cabin. This area features a large 37 inch flat screen TV and the seating converts to sleeping quarters for guests. The upgraded Bose stereo surround sound system is very impressive and this area offers unique accent lighting. The main cabin features a roomy dinette and a full featured galley with sink, refrigerator/freezer, two burner cooktop and microwave. The forward cabin has a door for privacy as well as it's own flat screen TV. There is a roomy head and the completely separate shower area is conveniently located. Plexi V has been maintained in excellent condition by her current owners and is only offered for sale because the owner has purchased a larger Sea Ray. In October of 2014 the cockpit air conditioner was replaced, the bottom was painted and the batteries were replaced. An engine room camera was added for security and peace of mind while underway. This vessel is detailed every 3-4 months and has a complete cockpit cover for protection from the elements when the vessel is not in use. This vessel is ready for a new owner and ready to cruise.

Cockpit Features

The large cockpit is arranged to facilitate easy access to the swim platform and places all the needed amenities within easy reach. The Captain is seated on a double wide Helm with flip up thigh high bolster, armrests and heavy duty pedestal with slide and Pneumatic vertical adjustment. This places the Captain within easy reach of the electronic engine controls, all electronics and the easy to operate joystick controller. On the portside there is another double wide seat with flip up bolster and a fiberglass

storage base.

Just aft of the the Captain and guest seating is U-shaped seating with storage below and on the starboard side is the optional grill, sink, cooler storage, ice maker and flat screen TV.

Additional Features include:

- * Hardtop with electric sunroof
- * Cockpit air conditioner (new October 2014) - **Upgrade**
- * Cockpit electric grill - Kenyon - **Upgrade**
- * Cockpit dual voltage refrigerator - **Upgrade**
- * Cockpit 19" flatscreen TV/DVD with Satellite TV - **Upgrade**

- * Stainmaster Carpet
- * Dark Cherry interior wood finish
- * Electrical Control Panel
- * Dinette ultra leather seating located on port side with fold up dinette table
- * Galley located on starboard side
 - * Stainless Steel refrigerator/freezer
 - * Stainless Steel microwave
 - * Two burner cook top
 - * Sink
 - * Drawer and cabinet storage

Mid/Media Cabin

This unique stateroom/media room is located just aft of the main cabin. It has an open seating conversation pit that converts to a double berth with slide out base. The center piece of this area is the large 37 in flat screen TV with DVD player and gaming port that is located on the starboard side of the cabin. This area also has a privacy curtain so this area can be used as a true second cabin. Additional features include:

- * Hanging locker on port and starboard
- * Blue LED accent lighting
- * Two movable ottomans with internal storage
- * Storage cabinet on starboard side

Galley

The well equipped and spacious galley is located on the starboard side of the main

cabin. It features: * Large Stainless Sink * Two Burner Electric Cooktop * Under Counter Stainless Refrigerator and separate Freezer * Microwave/Convection Oven * Spacious above counter storage * Stainless Steel Handrail * Trash Receptacle * 12V Power Vent The dinette area is located on the starboard side of the main cabin and offers: * L-Shaped Seating Sofa with storage and bed conversion * Wood Table that is hinged for ease of entry/exit to seating

Master Stateroom

The Master Stateroom is located all the way forward in the main cabin and features a Handcrafted Solid Wood Door with Translucent Screens for complete privacy when desired. Additional features include:

- * Full Size Island-Style Bed with Mattress and Drawer Storage Below
- * Air Conditioning
- * 19 inch Flatscreen TV w/DVD Player
- * Port and Starboard Hanging Lockers
- * Gunwale Storage Cabinets Port and Starboard
- * Accent Lighting
- * Direct Access to Private Shower

Head and Shower

The head with vacu-flush toilet is located forward of the main cabin on the starboard side. There is direct access directly from the main cabin and there is a separate private entrance from the master stateroom as well. Additional features are:

- * Vanity with solid surface countertop
- * Sink with faucet and storage below
- * Mirror
- * Towel Bar

The shower is located separately from the head compartment and is located forward of the main cabin on the port side. It has private access from the master stateroom. Additional features include:

- * Shower with Seat, Adjustable Shower Wand and Shampoo Bottle Storage
- * Stainless Steel Handrails
- * Robe Hook

Engine Room

The engine compartment is accessed via a large electrically operated hatch in the cockpit. There is a removable stainless steel ladder for ease of entry into the engine compartment. Additional features include:

- * Twin Cummins QSB 5.9 Diesels, 380 hp each with Zeus Pod Drives and Joystick Control with 385 hours - **UPGRADE**
- * Onan Diesel Generator 11.5 kw with sound shield - **UPGRADE**

- * 40 Amp Battery Charger
- * 4 Batteries with Trays
- * Bilge Pumps
- * Bilge Lighting
- * Galvanic Isolators
- * Battery Switches
- * Racor Fuel Filters
- * Engine Room Camera - **UPGRADE**

hull and Deck Features

This vessel features a beautiful black hull. There are stainless railings that assure safe passage to the bow where there is a sunpad for relaxing. An electric windlass with foot controls, and helm controls, handles the anchoring duty with ease. A helm controlled remote spotlight is located on the bow for increased safety at night.

There is a large transom door for easy access to the large swim platform which has a built in swim ladder for ease of entry from the water. The transom has a large storage

locker for line and fender storage. The dual 30 amp shorepower cord connections are contained in a separate compartment in the port quarter of the transom. The aft cockpit seating backs open for a large sunpad area that is ideal for relaxing and sunbathing.

Exclusions

Owner's personal belongings.
