Overview

The M/V Jennifer Lee is well cared for 1985 Tiara 31' Open. Her current owners of 12 years have kept her in good shape for her age. The Tiara 31' is one of those boats whose lingering popularity has made her a classic design in every sense of the word. Aside from the quality Tiara construction and sporty profile, the appeal of the 31 has much to do with the large fishing or entertaining cockpit and comfortable teak trimmed interior. If you are into cruising, fishing and/or day boating the swim platform, and extra cockpit seating will turn the 31 into an extremely capable family cruiser with the guts to handle any seas. Notable features include the wide side decks, bow pulpit, excellent engine access, and wonderful interior and exterior workmanship only found on a Tiara. She has had several onboard items replaced or recently upgraded, Jennifer Lee is ready to go. You do not want to miss this one.
