SPECIFICATIONS

Overview

The 31 hull sides are cored to reduce weight but maintain superior strength, and her deep-V hull features wide reverse chine's and two lifting strakes per side to provide a dry ride. A single-level cockpit makes the Contender an easier boat to move around in than most center consoles with their raised bow-casting platforms, and a recessed bow rail reduces the chances of snagging a line. Rod holders are everywhere and the fish boxes are huge!

Basic Information

Category: Center Console

Model Year: 2000

Year Built: 2000

Country: United States

Dimensions

LOA: 31' 0" (9.45m)
