## Overview

---

The M/V MARINA CORA is a 2003 Chaparral 27' Signature cruiser powered by twin 4.3 liter Volvo Penta engines coupled to I/O drives. She has been well taken care of by her current owners who have owned her the past three years.

As you step onto the swim platform you'll notice a swim ladder and secure tie down for the 40 gallon cooler. There is a trunk with access for storing cleaning supplies, dock or power lines. To the port side as you enter is the hot/cold pressurized shower and master 12V and 120 volt electrical panel that is in its own cabinet and out of sight but convenient.

Her aft deck has a fold away forward facing bench seat, removable table, spacious cockpit seating, a cooler and wet bar are on the port side. As you go forward the companion seat has great visibility, secure and comfortable. The helm seat is a double wide, with folding bolsters, full helm controls, engine gauges and controls, throttle and clutch controls on the outboard starboard side, master DC fuse panel is under the helm, a nice array of electronics and remotes round out the helm station. The windshield opens and allows for safe passage forward center-line with two built in steps that are easy to navigate. The bow has an electric windlass, with anchor, 30' of chain and 150' of rode.

From the cockpit, proceeding forward into the salon you step down three steps and find the midships double berth to your port side, underneath the cockpit sole and steps with the master AC Panel and hanging locker on the port hull. The double master is forward, these two staterooms along with the collapsible dinette provides ample sleeping room for a family or party of up to six. MARINA CORA's galley is well equipped for her size, she has an Isotherm DC/AC refrigerator / freezer, Samsung microwave, Toshiba TV/DVD, sink with hot/cold pressurized water, electric cooktop burner and a Keurig coffee maker. For creature and safety comfort she has a Marine Air 7,000 BTU AC/reverse cycle heater, hot water heater, a JBL stereo, 6-disk changer and speakers, Xantrex Fireboy system. Her head is enclosed with vanity and a hot/cold shower.

MARINA CORA will make a great family cruiser, take you fishing or just out for a fun filled day trip, weekend get away or vacation just about anywhere.
