DETAILED INFORMATION

Description

This 230 Sea Ray Sundeck "SeaNile" is a vessel that can comfortably entertain without compromise to comfort. Her performance, good looks and versatility resemble a sport boat. . This model has plenty of room for guests to enjoy cruising, wakeboarding, fishing or all of the above. The plush bow lounges can be converted to a sun pad with optional filler cushions. Two swiveling bucket seats with flip-up bolsters ensure that the captain and navigator have a good vantage point whether sitting or standing. The large cockpit features a lounge which becomes a sun pad with adjustable backrest, along with an aft-facing transom bench at the stern.

The walk-through windshield provides easy access to the bow, while allowing unobstructed views. A bow block-off door offers protection from the wind while under way. A bow boarding ladder, enclosed head compartment, bimini top and snap-in carpet all come standard. The carry-on cooler has designated storage that allows access without requiring that guests stand up and move aside. There's no shortage of storage space thanks to a cavernous floor locker with gas-assisted lid and mildew-resistant vinyl matting, in addition to a huge compartment under the transom bench for wakeboards and water skis. Additional storage is also located beneath the helm and lounge cushions, which are hinged for quick, easy entry.

Based on a 21° deadrise hull and boasting a standard MerCruiser 5.0L MPI Bravo III sterndrive that delivers 260 horsepower (194 kW), the 230 Sundeck imparts the adrenaline rush of a zippy bowrider. Power-assisted steering gives the driver responsive control of the boat, and he or she can monitor and operate the vessel's systems with the standard SmartCraft diagnostics and Vessel Control System (VCS), which features integrated steering-wheel thumb pads.
