Water Capacity: 103 Gallons

Fuel Capacity: 264 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSB 5.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Entering the salon you will notice that headroom is excellent. Large opening forward and side windows provide great views when seated at the portside U-shaped lounge/dinette. Cream soft goods and satin cherry wood lend a warm glow. The salon's starboard side has a built-in cherry wood sideboard with mock-walnut liner and various glass, bottle and storage lockers and drawers. There is an overhead flat screen TV facing back to the lounge/settee.

Going forward, the galley is two steps down and to port. There is a huge locker beneath the galley sole to store supplies during extended trips.

Continuing forward and through the passageway is the oversized head that is comparable to those found on a much larger vessels; head has two doors with private access from the stateroom or through the passageway.

The stateroom has a large double berth, generous hanging locker and abundant drawer space. There is a storage locker with hydraulic pistons under bed.
